World Federation of Music Therapy

The **World Federation of Music Therapy (WFMT)** is dedicated to developing and promoting music therapy throughout the world as an art and science. The Federation supports the global development of educational programs, clinical practice, and research to demonstrate the contributions of music therapy to humanity.

Founded in 1985 in Genoa, Italy, WFMT is an international nonprofit organization with officers, commissioners, regional liaisons, and student delegates in Argentina, Australia, Austria, Bahrain, Brazil, Canada, India, Japan, Singapore, South Africa, Thailand, the UK, and the USA. Federation membership includes music therapy organizations, training programs, professionals, students, and others associated with music therapy.

WFMT Lifetime Achievement Award 2017

Dr. Barbara Wheeler

Professor Emeritus, Montclair State University
USA

The WFMT Lifetime Achievement Award goes to Dr. Barbara L Wheeler for her extraordinary contribution to the worldwide development of our profession, particularly in the areas of education and research. Barbara's academic career has spanned more than 40 years and she holds the title of Professor Emerita from Montclair State University where she taught from 1975-2000.

Barbara subsequently initiated the music therapy training at the University of Louisville where she taught until retirement in 2011. Current appointments include teaching at the University of Applied Sciences Würzburg-Schweinfurt, Germany and the Karol Szymanowski Academy of Music in Katowice, Poland.

Barbara has long been active in national and international music therapy associations. She is a past president of the American Music Therapy Association, past Chair of the Commission on Education and Training for the WFMT and was recently Interview Co-Editor for 'Voices: A World Forum for Music Therapy'. She has received numerous awards from the AMTA and has been keynote speaker at conferences held on every continent across the world. Barbara contributed to more than 30 items and columns for 'Voices', including a series of interviews for the WFMT symposium on education and training prior to the World Congress in 2012.

Together with associate editor Kathy Murphy, Barbara has just completed editing Music Therapy Research, 3rd Edition (2016). Her complete publication history is phenomenal.
